Molecular crowding effect

Date: May 18th, 2018, 16:00~

Place: IPR 2F conference room (中会議室)

Relation between stability and functional activity of protein in the presence of sugar osmolyts

Speaker: Dr. Ilyas Beg (Konan University, Faculty of Frontiers of Innovative Research in Science and Technology)

In this presentation I will discuss the effect of different saccharides on the structure, function and stability of lysozyme and lactalbumin.
